

PROJECT AFRICA DONATIONS AND PROGRAM MEETING
by
Isle City of Alameda Business & Professional Women (BPW)

Speakers: Gloria Cox-Crowell (Co-Chair), Kevin Monroe and Doug Cole, representing the Allen Temple Baptist Church AIDS Ministry, will show a 10-minute DVD on the Mother of Peace Orphanage in Mutoko, Zimbabwe and will speak on the Church's AIDS Ministry's involvement, experiences and partnerships with AIDS relief efforts in Africa.

Since 2002, BPW Isle City has been shipping hospice medical supplies and craft donations to help women and children in an AIDS clinic in Kadoma, Zimbabwe. This May, Doug Cole hand-delivered our cash donation for fuel to our BPW Kadoma member, Sheena Freeman.

Donations on 8/18: BPW Isle City members will collect craft items (like yarn and embroidery thread) and hospice supplies at the meeting. If you or a family member has recovered from an injury and has medical supplies that are no longer needed (no liquids or prescriptions, please), contact BPW Isle City at isle_city@yahoo.com or (510) 523-7024 or **drop them off at this meeting**. Cash donations are welcomed. Mail to BPW Isle City, P.O. Box 1569, Alameda, CA 94501.
