Remember to recycle your  
refreshment containers

[www.bottlesandcans.com](http://www.bottlesandcans.com)

- Recycling of one glass container saves enough energy to light a 100-watt bulb for 4 hours.
- Five recycled soft drink bottles make enough fiberfill for a man's ski jacket.

Look for the  
City Recycling  
Bins at  
City Events!

RECYCLE. IT'S GOOD FOR THE BOTTLE.  
IT'S GOOD FOR THE CAN.
